

FJD FRX

Robotic Lawn Mower

Ultra-Wide Cutting Height Range

Adjustable from 10 to 100 mm, perfect for both fairways and roughs.

Flexible Charging Options

Fast battery swapping for 24/7 mowing.

Nighttime Quiet Operation

Free up the course during the day.

Multi-Field Management for Efficient Mowing

Achieve simultaneous mowing on multiple sports fields and automatically go to the next field upon completion.

Ultra-Light Chassis for Easy Transportation

Ultra-light chassis design for effortless handling and easy transport.

IPX5 Waterproof Design

Its water-resistant design ensures dependable operation in rainy conditions and allows for safe daily cleaning.

Dimensions (W × D × H)	1278 × 782 × 739.9 mm
Weight	83.7 kg
Max mowing area per charge	8000 m ²
Charging Time*	240 min
Battery Performance	320 min
Cutting height	10–100 mm
Cutting width	520 mm
Max climbing ability	20°

* All battery claims depend on various factors and operating conditions; actual results may vary. The battery has a limited number of charging cycles and may eventually need to be replaced. The lifespan of the battery and the number of charges depend on usage and settings.
