

PaintMaster Parking Line Marking Robot

Autonomous Operation

The robot performs line marking independently without an on-site operator.

Precise Line Marking

Delivers centimeter-level accuracy, day and night.

Fast Area Mapping

Parking lots can be mapped in minutes without driving the robot on site.

CAD File Import

Direct import of design files enables immediate execution.

Smart Safety Systems

360° monitoring and collision protection increase on-site safety.

Efficient Fleet Management

Multiple robots can operate simultaneously on large areas.

Dimensions (W × D × H)	1805 × 990 × 980 mm
Weight	210 kg
Charging Time	4 h
Battery Life	6 h
Marking Width	10–30 cm
Marking Speed	1–4 km/h
Paint Capacity	19 l
